**Habitat for Humanity Macedonia** is a non-governmental, not-for-profit association dedicated to providing simple, decent, and affordable housing solutions for those living in poverty. HFH Macedonia's activities include building and financing homes, advocacy, strengthening capacities, and developing communities. HFH Macedonia has supported more than 3,045 families in housing improvement and an additional 3,080 in housing support services.

**Volunteering Opportunities:** HFH Macedonia is seeking volunteers for a variety of build projects.
